

Don't miss The Wall Wizard, Brian Santos, at the Home Expo! See what The Wizard's Workshop has in store for you this year. All times are listed on the seminar list.

Painting Secrets

Wall Magic! Experience and learn the real tips, tricks and techniques of home improvement from best selling author Brian Santos "The Wall Wizard". This 25 year interior contractor, chemist and educator steps you through you through the real science, magic and myths of decorating your home. His **Painting Secrets** will challenge everything you thought you knew about the walls around you. As "The Wall Wizard", Brian will take you down the yellow brick road of discovery to your own emerald city, your home. This program will teach you how to look through wizard eyes with confidence and use the most inexpensive and practical decorating medium, paint. Brian will then show you how to use everyday household products such as, PAM cooking spray, plastic saran wrap and magnets to speed up your painting by 400%. This "Wizard" reveals the real secrets of how to use masking tape, paint brushes and rollers as well as how to select the right tools that make your paint job faster, easier and more fun. Don't miss it!

Faux Finish Secrets

Discover the "Magic" within you! Create your own magical surface effects with **Faux Finish Secrets** from Brian Santos, "The Wall Wizard". This latest book release transports you into the "realm of possibility" through the ideas, insights and inspiration that only the "Wall Wizard" can bring to the do-it-yourselfer and professional alike. Brian reveals and explores how basic techniques such as dragging, flogging and whacking can create realistic and dramatic effects like stone, leather and wood in a few simple steps. Experience this live audience participation show that focuses on the practical hands-on application of the three hottest faux finishing effects used in home design and decorating today. As "The Wall Wizard", Brian will present many of the same application techniques that Hollywood set decorators have used for generations to create clever visual effects and realistic illusions for your favorite movies and television programs. As part of your apprenticeship, you will learn the real "why" behind the "how-to" of these dramatic and exciting old world effects as well as, how to apply them successfully in your home.

Wall Covering Secrets

Wall Wisdom! Are the walls peeling down around you? Then you will definitely want to complete your home improvement education with Wall covering Secrets. In this interactive session of the Wizards Workshop series, Brian Santos "The Wall Wizard" will magical demystify the most common myths, mistakes and misconceptions that everyone has about wall coverings. For example; How can I permanently secure lifting seams? How do I repair the torn wallpaper in the kids room in 2 seconds?, Why does my border keep fallen off the wall? What can I do about the bubbles trapped underneath the wallpaper? And finally, how can I quickly and easily strip multiple layers of wall coverings off the wall without damaging the wall surface beneath. Well never fear... The Wall Wizard is here! Brian will reveal the time tested tips, tricks and techniques that answer and solve these daunting home decorating dilemmas.
