event info

when: Friday, November 20, 2026 / 6:00 PM

where: FireKeepers Casino Hotel | Mbish Ballroom D
11177 E Michigan Ave, Battle Creek, MI 49014

why: The Holidays are all about GIVING! A portion of the proceeds will benefit the HBA of Michigan's Legal Action Fund.

who: HBA Members OR anyone working in the residential construction industry

What is the HBA Legal Action Fund?

While much of the HBA of Michigan's advocacy takes place at the Capitol in Lansing, the fight for attainable housing extends far beyond. Your state association is actively engaged in legal battles across Michigan to combat unlawful government actions and overreach—and we need your support.

Why is Your Contribution Important?

Your donations help replenish critical funds needed to:

- Challenge the illegal implementation of a new Michigan Energy Code
- Demand repayment of legal fees after our permit fee overcharge victory against the City of Troy
- Oppose the natural gas ban on new construction in Ann Arbor
- Advise the City of Kentwood that a proposed ordinance violates Michigan's uniform codes

How Does This Impact You?

Governmental roadblocks and regulatory challenges can add weeks or even months to your building projects. The HBA of Michigan is here to help streamline your projects and reduce unnecessary delays.

To further support our members, in February 2025, we launched the Building Reporting & Support Form—a powerful tool designed to help HBA members report delays, permitting challenges, zoning issues, utility connection problems, or other governmental obstacles.

Your Voice Matters

By reporting these challenges, you help us identify trends, tackle inefficiencies, and advocate for statewide solutions. If you've faced unusual delays or unnecessary hurdles, we encourage you to submit a report—together, we can create a more efficient, predictable, and builder-friendly process.

Thank you for standing with us in this fight. Your support makes a difference!
